### REMARKS

Claims 67-80, 86 and 95-96, 104-109, and 113-114, are being examined.

In response to the outstanding Notice, Applicants hereby provide a complete listing of the claims with their status in compliance with 37 C.F.R. §1.121(c). Applicants repeat the claim listing with the required markings of the Amendment dated June 1, 2004 since the amendments therein were not entered on the record. The only change in this claim listing from Applicants' Amendment dated June 1, 2004 is an indication that the status of claims 1-66 is "(Canceled)."

In view of Applicants' Amendment dated June 1, 2004 and this response, Applicants respectfully request reconsideration of all outstanding rejections and objections to the present application and allowance of the claims.

No fee is deemed necessary in connection with the filing of this Amendment. If any fee is necessary, the Patent Office is authorized to charge any additional fee to Deposit Account No. 50-0306.

Respectfully submitted,
